ARMISTICE
LINE

LEGEND

- International boundaries
- Line of farthest German advance in 1914
- Line of battle September 26, 1918
- Major Operations, 1917
- Offensive
- Defensive

NOTE: The initial line of the defensives represents substantially the battle line of March 26, 1918, at the beginning of the great German drive, and the initial line of the offensives represents substantially the battle line of July 17, 1918, the turning point marking the end of the German drive and the beginning of the Allied drive. There was no substantial change in 1918 in the battle line from the Moselle River to the Swiss border.

Data, except 1914 line, from map "Major Offensive and Defensive Operations, 1917-1918," G. H. Q., A. E. F., May, 1920, and "Daily Order of Battle Maps," G. H. Q., A. E. F.
